51 Rules – met Monday, November 10, 2025.

- Chair Terranova explains the committee approved draft rules 3 and 4 for transmission to the Executive Committee on Monday, 11/10/25. Members of this committee will receive the rules ahead of the December meeting to allow ample time for review ahead of discussion.
  - N. Kalfas notes the Rules Committee’s intention to turn to the rule on joint investigations next.

Communications – has not met since last Executive Committee meeting. Next meeting is scheduled for Thursday, December 4, 2025, at 2pm ET.

- Chair Terranova notes the committee will work on the next newsletter during their December meeting.

#### **RHTP NOFO Request for Comment**

- Chair Terranova explains the commission was approached by InsideHealthPolicy for comment on the CMS’s Rural Health Transformation Program Notification of Funding Opportunity. The questions, Chair Terranova’s response, and the resulting article were shared with the committee in today’s meeting materials. Chair Terranova’s comments were brief, noting that the commission was not involved in the decision to include the PA Compact in the RHTP application, the commission is pleased it is included, and the commission is not involved in the preparation of states’ applications. The other commissions who provided comments shared similar sentiments based on the article.
  - No comments or questions from the committee.

#### **RFP Update and Data System Proposal Assessment Rubric**

- Chair Terranova updates the committee that the commission is waiting for proposals from vendors, which are due December 19, 2025. Proposals will be reviewed during the committee’s January meeting. A sample rubric to guide the commission’s assessment of vendor proposals was shared in today’s meeting materials.
  - Chair Terranova poses the option of editing the rubric now if the committee has questions, comments, or additions, or using this rubric as is, sending it to committee members along with the received proposals, and adding to the rubric then if needed.
  - L. Marx agrees with Chair Terranova’s suggestion that this rubric be used and sent to committee members to use during their review of the proposals, and additions to the rubric can be made if the committee determines additional categories are necessary.

#### **Delegate Questions and Comments**

- Chair Terranova mentions that December’s meeting will likely take the whole meeting time since the committee will review draft rules 3 and 4, and January’s meeting will also be longer than today’s meeting as the committee will begin reviewing data system proposals.

#### **Public Questions and Comments**

None.

#### **Adjourn**

Hearing no further business or discussion, Chair Terranova adjourned the meeting at 3:17 p.m. ET.
