36 ■ Kathy Scarbalis recommends adding link to the model language where
37 appropriate.

38 ■ Nahale Kalfas asked about “educational requirements regarding scope of
39 practice”. It was noted by several committee members that there they were not
40 aware of any additional education requirements within a state to perform a
41 certain scope of practice.

42 ■ Tim Terranova notes prescribing authority requires certain trainings like opioid
43 training and that is the intention of the sentence.

44 ■ Greg Thomas asked about taking out scope of practice for clarity. Brooke Yates
45 said there is a nuance between DEA requirements and scope of practice. For
46 example, DEA requirements may have requirements that states might not
47 require.

48 ■ Camille Vassilakos noted that there is existing and similar language in a FAQ on
49 the compact website that could be utilized for the newsletter FAQ as well. The
50 FAQ language was incorporated into the draft newsletter FAQ.
